

SCHENCK HIGH SCHOOL REMOTE LEARNING OPTION

Dear Students and Parents:

Remote instruction is available for any student with health and safety concerns, elevated health risks, a family member with elevated health risks or for any other personal reasons.

The remote instruction program at Schenck High School will occur as follows:

- East Millinocket Instructional Staff (Teacher or Ed. Tech. III) will lead these classes for Grades 9-12.
- These remote learning programs will be fully graded and count toward GPA. Full academic participation is expected.
- For students in grades 9-12, classes will be streamed live via Google Hangouts and students will be responsible for following a normal school schedule (synchronous). Attendance policies will be enforced as failure to participate may result in loss of credit.
- Students are expected to follow all school rules such as dress codes, respectful behavior, and appropriate student engagement.
- Students who elect to participate in this remote instruction program to begin the 2020-21 school year must remain in the program through at least the end of the first quarter.
- Students will have the opportunity to change learning platforms (ex: in-person learning to remote and/or vice versa) only once per semester (after quarter one). Any other moves may be permitted at the discretion of the Administration.
- Assigned instructional staff will also coordinate to ensure programs such as Special Education, 504, RTI, or ELL programs are provided to students remotely as needed.
- Students will have the opportunity to get extra support from their teachers virtually during assigned office hours.
- Students will receive timely feedback and frequent recognition of progress.
- Students will respond to feedback and submit assignments, due dates, methods for turning in assignments, and to communicate with staff.
- Students will receive a school issued device.

In order for our teachers to plan for instruction, students who elect to participate in this remote instruction program to begin the 2020-21 School year will be asked to remain in the program for at least eight weeks. If you are interested in this option for your child, please contact Kim Lyons at 746-3511 *no later than* Friday, August 28, 2020.

Thank you,

Justin Page
Principal
