

INSTRUCTIONAL GOALS AND OBJECTIVES

The Board envisions graduates as individuals who show respect for self and others show honesty, are active participants in all aspects life, strive to make healthy positive choices, take pride in their work, adapt positively to change and demonstrate sound judgment. They take an interest in civic affairs, respect the interdependence of humankind, and acknowledge the importance of a healthy global environment.

Graduates will demonstrate a proficiency in a common core of knowledge. As comprehensive thinkers, they approach learning eagerly and solve problems using a variety of acquired skills. They are able to communicate effectively as speakers and writers.

Our graduates also seek a balance in their personal, professional, and intellectual lives. They are lifelong learners who can apply essential knowledge in an ever-changing world.

To achieve its vision of an educated person, the Board hereby adopts as its instructional goals and objectives the *Guiding Principles* of Maine's system of Learning Results
