

EAST MILLINOCKET SCHOOL BOARD POLICY

ADULT/COMMUNITY EDUCATION

NEPN/NSBA CODE: IHD

The East Millinocket School Board believes that since education is a life-long process, it will encourage the growth of educational opportunities for adults by its commitment to adult education programs.

Adults completing the high school diploma program will have the option, at the discretion of the principal, of graduating with the senior class. The high school principal will approve the adult graduates.

The adult education director will supervise the programs, prepare a budget, and complete all necessary local and state reports, forms, etc.
